

## Western Regional Registry Review and Continuing Education Meeting

Sponsored by

The Technologist Section of the Northern California Chapter, Society of Nuclear Medicine

Harrah's Convention Center

Reno, Nevada

February 19-21, 1976

The Western Regional Registry Review and Continuing Education Meeting will offer points of interest for those students who will be taking the registry examination, for the physician who will be taking the ABNM exam and a well rounded continuing education program for the technologist. Topics will include the Quality Assurance of Scintillation Camera Programs developed by William R. Hendee (Bureau of Radiological Health, Food and Drug Administration, DHEW,) RIA Program, Radiopharmacology, Radiation Safety, Physiology and Anatomy, and Administration. Registration will open on Thursday evening Feb. 19th; exhibits will be open at that time and there will be a no-host cocktail party.

Contact: Jean Lynch, Exec. Secy., P.O. Box 40279, San Francisco, Calif. 94140
